Program Structure

1. Is the maxillofacial prosthetic education and training a separate program that follows on completion of a Prosthodontic program? yes

If yes, duration of Program: Months

or

2. Is the maxillofacial prosthetic education and training program incorporated into the prosthodontic program? no

If yes, duration of Program in Prosthodontics: Months

3. How many residents in maxillofacial prosthetics do you accept per year?

4. Does the program accept foreign students? yes

If yes, please state the conditions of entry into the program:

Actually, there never have been foreign students accepted for this residency, but there have been students participating in a 3 month training in maxillofacial prosthodontics in our department. The condition to entry this program was a master degree in dentistry and specific experience in prosthetics. The 4 year program is still rather new and so far 2 prosthodontists have finished this program, one will finish this year.

5. When was the last student intake to your Maxillofacial Prosthetic program year.

6. Is prosthodontics registerable as a specialty in your country? no

7. Is maxillofacial prosthetics registerable in your country as a: specialty sub-specialty
