61st Meeting of the
AMERICAN ACADEMY OF MAXILLOFACIAL PROSTHETICS
The Westin New Orleans Canal Place, New Orleans, Louisiana USA

AAMP Administration Office
RES Seminars
4425 Cass Street, Suite A
San Diego, CA 92109 USA
Tel: 1 (858) 272-1018
Fax: 1 (858) 272-7687
E-mail: aamp@maxillofacialprosthetics.org
www.res-inc.com
On behalf of the American Academy of Maxillofacial Prosthetics (AAMP), we would like to offer you an opportunity to market your services to our membership and conference delegates. We are dedicated to patient care, education, research and outreach. We hope to partner with corporations who share a common vision of maxillofacial rehabilitation.

Our members are highly active in research in the areas of 3D imaging, scanning and prototyping (virtual planning), robotics, biomaterial sciences (nanotechnology), implant bio surfaces, functional outcomes, and preventive measures to protect against oral morbidities of cancer therapy. Our members are early adapters of new technologies and influence how these new technologies will be used in their academic or private practices. We are a dedicated group of academic, military and private practice professionals who are eager to learn about new products and services such as those you represent.

It is our hope that by working together with industry partners who share our vision, we can provide maxillofacial oncologic rehabilitation with use of cutting-edge technology, advancing the care of this special patient population.

Yours Sincerely,

Program Chair
Gerald T. Grant, DMD, MS, CAPT, USN

The 61st annual meeting of the AAMP will be held at the Westin New Orleans Canal Place in New Orleans (November 1-4, 2014). The focus of this national session, Multidisciplinary Progress in Maxillofacial Rehabilitation of the Head and Neck Cancer Patient, will include topics on cutting edge technology in head and neck cancer treatment, maxillofacial rehabilitation, management of oral morbidities, and evidence-based supportive care.

The scientific program provides lectures from expert pioneers in their respective fields, poster presentations, workshops and continuing education courses advancing mainstream concepts and new developments in head and neck oncology, craniofacial reconstruction and maxillofacial rehabilitation. Leaders will come together, with experts in maxillofacial prosthetics and prosthetics, oral and maxillofacial surgery, radiation oncology, oncology, speech and swallowing research and supportive care.

Additional Patrons and Exhibitors will be posted to the conference website and available for representation at the meeting site

The Westin New Orleans Canal Place

Canal Place
100 Rue Iberville
New Orleans, LA 70130 USA
Phone: 504-566-7006

The Westin New Orleans Canal Place is adjacent to the historical French Quarter and offers sweeping views of the beautiful Mississippi River, making it the perfect downtown New Orleans hotel to savor the Big Easy's zest for living. Just steps from popular attractions and things to do in New Orleans including Jackson Square, the New Orleans Convention Center, the luxurious Shops at Canal Place, Harrah's Casino, museums, art galleries, dining and the central business district, you will enjoy comfort and service from our French Quarter hotel that will make you feel right at home.

The Westin New Orleans Canal Place has undergone a transformation with a revitalization of the lobby, restaurant and public areas. Guest rooms are oversized and are ideal for conducting business with ergonomic desk chairs and High Speed Internet Access.

When it’s time for a break, stroll up to the 29th floor rooftop pool, unwind at the WestinWORKOUT® Fitness Studio, or drop by our renowned River 127’ Restaurant and enjoy continental cuisine with a touch of Louisiana spice, 127 feet above the river.

We look forward to seeing you in New Orleans!

Hotel Room Rates

$229, plus applicable state and local taxes

Rooms are quoted exclusive of applicable state and local taxes (currently 13.75% per night) Daily resort fee of $20, plus tax, per room

Contact The Westin and Identify yourself as an “AAMP Delegate” to receive the group rate.

CALL FOR PAPERS

We encourage all colleagues to submit an abstract for consideration for poster presentations.

Abstract papers must be submitted via the internet on the AAMP website: www.maxillofacialprosthetics.org/NewOrleans2014/CallforPapers.html

Please keep your abstracts to 350 words or less. All selected abstracts will be published in our Conference Program Book. Papers will be published as presented by author. Proof read and edit your paper.

Instructions for oral and poster presentations are posted on the AAMP website. www.maxillofacialprosthetics.org/NewOrleans2014 Link to >> Call for Papers.

All posters relating to conference topics will be accepted.

Submission Deadline Poster Presentations: August 15, 2014

OVERVIEW

Conference Objectives

Colleagues from around the world will present the latest developments, advances and research in the interdisciplinary management of head and neck cancer, trauma, craniofacial and congenital patients.

• Newest technologies designed in the diagnoses, treatment and rehabilitation of the head and neck patient.
• Recent advances in research discoveries for the head and neck patient population.
• Latest advances in the delivery of interdisciplinary care for this patient population.

Conference Topics

• Surgical Reconstruction
• Maxillofacial Prosthetics
• Facial Prosthetics
• Implant Care
• Rehabilitation Medicine
• Chemotherapy & Radiation Therapy
• Digital Technology
• Functional Outcomes
• Nanotechnology & Biomaterials
• Psychosocial Considerations
• Tissue Engineering & Regenerative Medicine
• Supportive Care

Breakout Sessions

Separate session topics are under consideration for:

• Dysphagia
• Psychosocial Issues
• Clinical Research
• Oral Hygiene / Supportive Care
• Facial Prosthetics

Visit our website for more information...

www.maxillofacialprosthetics.org/NewOrleans2014
### Saturday, November 1st

07:00 - 16:00  AAMP BOD Meeting (Invitation Only)

17:30 - 20:00  Poster Session, Exhibit Reception and AAMP Silent Auction

### Sunday, November 2nd

07:00 - 08:15  Continental Breakfast and Exhibit Review

08:15 - 08:30  Welcome

08:30 - 13:00  The Future in Reconstruction

- **Moderators:** Mark George & Brian Chang

- 08:30 - 09:15  Chad R. Gordon, D.O.
  - Validation of Surgical Guides with Navigation in Face Transplant Surgery

- 09:15 - 10:00  Katie Weimer, MS
  - Virtual Surgical Simulation in Craniofacial Reconstructions

- 10:00 - 10:45  Coffee Break

- 10:45 - 12:15  Suzanne Verma, MAMS, CCA
  - Applications of Surgical Navigation in Craniofacial Reconstruction

- 12:15 - 13:00  Panel Discussion

- 13:05 - 14:25  AAMP Business Luncheon

14:30 - 16:45  Workshop 1

- CranioFacial Reconstruction: Digital Workshop- Scan, Plan, 3D Print, Facilitated by 3D Systems (Medical Modeling & Geomagic Solutions)

18:00 - 22:00  AAMP Social Outing

### Monday, November 3rd

07:00 - 08:15  Continental Breakfast and Exhibit Review

08:15 - 08:30  Welcome

08:30 - 13:15  The Future Speaks

- **Moderators:** William Wilson & Joe DiFazio

- 08:30 - 08:55  Cynthia Aita-Holmes, DMD
  - Digital Fabrication of Facial Prosthesis

- 08:55 - 09:20  Azadeh Afshari, DDS
  - Human skin shade guide

- 09:20 - 09:45  Eszter Somogyi-Ganss, DMD, PhD
  - Functional Outcomes of IMRT in treating Head and Neck Cancer

- 09:45 - 10:10  Nicole A. Smith, Maj, USAF, DC (DMD, MS)
  - A Custom Tissue Stent for a Total Mandibulectomy Patient

- 10:10 - 10:30  Questions & Answers

- 10:30 - 11:15  Coffee Break

- 11:15 - 11:35  Mathilda Dhima, DMD, MS
  - Novel Multidisciplinary Treatments for the Maxillofacial Prosthetic Patient

- 11:35 - 12:00  Tanya Somohano Marquez, DMD, FACP
  - Mandibular Incisors Sacrificed for Surgical Access and Treatment Limitations in the Oncologic Patient: A Case Report

- 12:00 - 12:25  Jeff Rodney, DMD
  - NAM and Digital Applications

- 12:25 - 12:50  Amanda C. Colebeck, DDS, MS
  - Use of Orbital Conformer to Improve Speech in Patients with Confluent Maxillectomy and Orbital Defects

- 12:50 - 13:15  Evan B. Rosen, DMD, MPH
  - Maxillofacial Prosthetics at Memorial Sloan Kettering Cancer Center: Experiences of a Recent Graduate

- 13:15  General Session Adjourns

14:30 - 16:45  Workshop 2

- CranioFacial Reconstruction: Digital Workshop- Scan, Plan, 3D Print, Facilitated by 3D Systems (Medical Modeling & Geomagic Solutions)

19:00 - 22:00  AAMP Presidential Reception and Banquet
**Tuesday, November 4th**

**CONFERENCE WORKSHOPS**

**CranioFacial Reconstruction: Digital Workshop- Scan, Plan, 3D Print**
Facilitated by 3D Systems (Medical Modeling & Geomagic Solutions)

**Course Objectives:** 3D Systems is a leading provider of 3D printing centric design-to-manufacturing solutions including 3D printers, print materials and cloud sourced on-demand custom parts for professionals and consumers alike in materials including plastics, metals, ceramics and edibles. These solutions are used to rapidly design, create, communicate, prototype or produce functional parts and assemblies, empowering customers to manufacture the future. 3D Systems is showcasing innovative digitally designed facial prosthetics, implants and surgical guides from its customers that restore cancer, tumor and trauma victims to dignity – at the American Academy of Maxillofacial Prosthetics (AAMP) annual meeting in New Orleans (November 1-4, 2014). 3D models from patient cases and conference sessions will illustrate the challenges in digitally designing well-fitting replacement facial sections to match areas that have been impacted by disease or injury – and inspirational results achieved with precision design capabilities in Geomagic Freeform® and Medical Modeling solutions.

**Limited to 10 participants per workshop.**
Fee: $125 ($175 After October 11, 2014)

**Times Offered:** 14:30 - 16:45

- **Workshop 1 - Sunday, November 2nd**
- **Workshop 2 - Monday, November 3rd (Concurrent with Workshop 4)**
- **Workshop 3 - Tuesday, November 4th (Concurrent with Workshop 5)**

Partial Facial Prosthesis, Custom Implants, Surgical Guides Show Design Precision Achieved with Geomagic Freeform® and Medical Modeling Solutions For Maxillofacial Prosthetics

**Advances In Coloring Techniques Workshop**
(Introducing the E-skin Spectrocolorimeter System)
Facilitated by Factor II

**Course Objectives:** Accurate colour matching to the patients’ skin is essential in producing a realistic prosthesis. In this workshop we will introduce the new E-Skin spectrocolorimeter and compare and contrast it against traditional colouring techniques. E-Skin uses a digital library of nearly 20,000 skin tones to match to patient skin for prosthetic applications. All entries in the digital library have a matching colorant recipe. The E-Skin instrument measures skin colour and instantly retrieves and displays on its screen a matching colorant recipe from its database. In the first section of the workshop participants will be demonstrated a traditional colouring technique and have the opportunity to do a colour match and pack a pre-made mould. In the second section of the workshop the E-Skin system will be demonstrated and the participants will have the opportunity to use the system to help them do a full colour match. The workshop offers a unique opportunity to gain hands on experience with a state-of-the-art colouring digital colouring technique.

**Limited Availability**
Fee: $125 ($175 After October 11, 2014)

**Times Offered:** 14:30 - 16:45

- **Workshop 4 - Monday, November 3rd (Concurrent with Workshop 2)**
- **Workshop 5 - Tuesday, November 4th (Concurrent with Workshop 3)**

---

**CONTINUING EDUCATION CREDITS**

The AAMP is an ADA CERP recognized provider. The program will be accredited for CE Credits. All attendees will receive certificates of attendance at end of meeting.

Total Possible Hours including General Session and Poster Session: 14 credits
SOCIAL ACTIVITIES

Sunday, November 2nd
Saints and Sinners Tour of St. Louis Cemetery
10:00 - 12:30
Founded in 1789 and listed on the National Register of Historic Places, St. Louis Cemetery No. 1 is the oldest and most famous in New Orleans. It is the burial ground of some of the most illustrious Saints and Sinners of New Orleans, including Voodoo Queen Marie Laveau; Bernard Marigny, last of the great creole gentleman who introduced the gambling game "craps" to the city; Paul Morphy, first US world chess champion; Homer Plessy, the plaintiff from the landmark 1896 Plessy v. Ferguson Supreme Court decision on civil rights; veterans of the Battle of New Orleans, and many more famous French and Spanish citizens. During the approximate 90 minute tour you will learn about the unique burial practices of the region including the famed oven wall vaults, society tombs and the monuments to musicians and prominent African Americans. Come visit our City of the Dead for a unique and memorable experience.
Price: $40 per person ($50 After October 11, 2014)

Monday, November 3rd
New Orleans Culinary Tour
13:00 - 15:00
Explore authentic New Orleans food destinations in this two-hour walking and tasting adventure through parts of the historic French Quarter & Marigny neighborhoods. On the tour, you’ll meander through our streets with a local guide who will unwind the history of good eating in New Orleans and the importance of these neighborhoods and businesses in forming the city’s unique palate. Several tastings included.
Price: $75 per person ($85 After October 11, 2014)

Saturday, November 1st
AAMP Poster Session and Exhibit Reception
17:30 - 20:00
The AAMP wishes to thank our industry partners who made this conference possible through their generous contributions.
Please show your support, we encourage all delegates to visit each exhibitor to discuss the latest products and services provided by our corporate partners. Entertainment, light appetizers and a cash bar will be available for your enjoyment.
Attire: Business Casual
Price: Included in your conference registration fee

Sunday, November 2nd
AAMP Luncheon and Business Meeting
13:05 - 14:25
All delegates are invited to the conference luncheon, followed by the AAMP Business Meeting for members only. AAMP Member are encouraged to attend so that your organization may better serve its membership.
AAMP members only
Attire: Business Casual
Price: Included in your conference registration fee

AAMP Social Outing Mardi Gras World Tour
18:00 - 22:00
New Orleans’ Mardi Gras is an event like no other. There is no better tour in New Orleans that will get you closer to the action than what you will find at Mardi Gras World. The AAMP will have a private tour along with a mask making activity and dinner.
Attire: Business Casual
Price: $115 per person ($135 After Oct. 11th, 2014)
Includes: Tour, Transportation, Reception and Dinner

Monday, November 3rd 2014
AAMP Presidential Reception and Banquet
19:00 - 22:00
Join us for a wonderful evening of networking, elegance, entertainment and dinner. The evening will conclude with the induction of the next AAMP President and recognition of other important awards.
Attire: Black Tie Optional
Price: $98 per person ($125 After Oct. 11th, 2014)
Includes: Hors D’oeuvres, Plated Dinner, Entertainment

Tuesday, November 4th
New Members Breakfast
19:00 - 20:15
New members (invitation only) are invited to meet with AAMP mentors during breakfast.
Attire: Business Casual
Price: Included in your conference registration fee

All activities and tours are subject to change. Please visit the AAMP Website for the latest updates... www.maxillofacialprosthetics.org/NewOrleans2014 Link to >> Social Events.
All fees subject to change and based on availability.
## AAMP REGISTRATION FORM - 2014

Please register online at [www.maxillofacialprosthetics.org/NewOrleans2014](http://www.maxillofacialprosthetics.org/NewOrleans2014). If unable to register online, please fill out and fax form to RES Seminars 1 (858) 272-7687. To ensure registration is legible via fax, please type or print information very clearly and with large characters.

### Checks Payable in US dollars to AAMP Conference
(Please mail check and registration form to RES Seminars 4425 Cass St. Suite A, San Diego, CA 92109 USA)

### Payment
- Visa/Master Card accepted. Card# ___________  
- CVV Code ___________  
- Exp. Date ___________ / _______  
- (3 digit # on back of card)  
- month/year

### Refund Policy:
Requests in writing prior to September 28, 2014, fees will be refunded less $75 administration fee. No refunds after September 28, 2014.

### Accommodations:
Contact the hotel directly to make reservations. Identify yourself as a delegate to the “AAMP Meeting” to receive the group rate. Make your reservations early!
POSTER AWARDS

All Delegates are encouraged to submit abstracts for the AAMP Poster Session taking place on Saturday, November 1st, 2014. Abstracts must be submitted via the AAMP web site:

www.maxillofacialprosthetics.org/neworleans2014

Submission Deadline Date: August 15, 2014

The Poster Competition is restricted to those delegates who are currently AAMP Student Members. Students can apply for AAMP Student membership by visiting the AAMP web site and submitting an application for Student membership. A first, second and third place award will be presented at the AAMP Banquet

Guidelines:
1. Compose abstract of your presentation and submit it to the AAMP website: www.maxillofacialprosthetics.org no later than August 15, 2014
2. Presentations may be either a Controlled Research Study or Clinical Case Report.
3. You must be primary author of presentation.
4. Posters must be set up one hour in advance of the competition and remain in place during the assigned time of the poster presentation session. The presenter is responsible to disassemble and remove the poster at the end of the session. AAMP is not responsible for posters and materials left after session.
5. Presenters must be available to present to the judges at the assigned time, and present to the general assembly during the designated poster session time.

Review criteria used by the Judges (below)
Mentors and coauthors may be present to assist in answering questions, but may not present in place of the author.

Presenters who submit abstracts that are accepted for presentation and fail to attend the session may not submit for the following year’s poster session without an acceptable explanation to Chair of Research Committee.

Presenters not complying with guidelines herein may be disqualified from competition.

Criteria for Judging Poster Competition

ORAL PRESENTATION
• Thorough background knowledge
• Presentation readily understood
• Oral presentation is brief, lucid and succinct
• Presentation is dignified and professional

CLINICAL CASE REPORT- POSTER
• Originality/ signifi cance (importance, timely, pertinent)
• Literature review
• Problem encountered/ trying to solve
• Criteria stated for materials used
• Advantages/ Disadvantages/ Contraindications
• Clinical Implications
• Display is neat, attractive
• Visually well-arranged and readable
• Poster complies with guidelines for poster presentation (dimensions, freestanding)

CONTROLLED RESEARCH STUDY- POSTER
• Originality/signifi cance (importance, timely, pertinent)
• Literature review
• Purpose/ hypothesis well defi ned
• Well defi ned methods and materials
• Controls/statistical design for treatment
• Conclusions supported by results
• Display is neat, attractive
• Visually well-arranged and readable
• Poster complies with guidelines for poster presentation (dimensions, freestanding)

Please submit poster abstracts online:

www.maxillofacialprosthetics.org/neworleans2014

Board Preparation Course

Wednesday, November 4, 2014

Course Director: Radi M. Masri, D.D.S., M.S., Ph.D.

07:00 - 16:00

The Board Preparation Course is designed to demonstrate the process of becoming a Diplomate of the American Board of Prosthodontics.

The course is recommended for prosthodontic residents as well as experienced prosthodontists who are interested in becoming board certified.

Fee: $395

Advances in Maxillofacial Prosthetics

Wednesday, November 4, 2014

Moderator: Betsy Davis, M.S., B.S., D.M.D.

13:00 -13:50 Advanced Jaw Reconstruction in Head and Neck Cancer: Surgical Design and Simulation (SDS) for Functional Outcomes
Johan Wolfardt, B.D.S., M.Dent., Ph.D.

14:00 -14:50 Maxillary Defects
Laleh Abdolazadeh, D.D.S., B.S., F.A.C.P.

15:00 - 15:50 Oral Morbidities of Radiotherapy
Theresa Hofstede, D.D.S., F.A.C.P.

16:00 - 16:50 NAM/Palatal Lifts for the Craniofacial Patient
Jeffrey Markt, D.D.S.

Fee: Free for AAMP Meeting Attendees, must RSVP.
